PAWS (Protect Africa's Wildlife)

Dear Gavin

I trust that you are well.

I just want to thank PAWS so very much for the Canon i-SENSYS Laser Multifunction Printer that you so kindly donated to the Hoedspruit Endangered Species Centre.

I never have words to thank people enough and to let them know exactly how much their endless effort and ongoing support means to the centre, the people and the most important, the animals.

Your goodwill and kindness will forever be remembered.

I am looking forward at having you at Hoedspruit again.

Sincere regards

Lente Roode
Founder
Hoedspruit Endangered Species Centre
